

I am writing to express my strong support for this legislation below. It is very important that Connecticut supports access to the vote who might be vulnerable to the pandemic. People should not be forced to choose between their safety and their right to vote.

- [S.B. No. 184](#) **(Raised) An Act Extending Through November 8, 2022, Several Changes Regarding Election Administration as a Result of Covid-19 and Concerning Eligibility to Vote by Absentee Ballot.**
- [H.B. No. 5262](#) **(Raised) An Act Revising Certain Absentee Voting Eligibility Statutes**

Thank you for your consideration.
